Evaluation:

Your grade will be calculated based on the relative performance of the whole class; however, you must receive more than 80% to be qualified for an A. Regular attendance and participation in class is required to make the experience of this class more meaningful. All class absence must be informed with appropriate evidence within 7 days after the absence or your scores will be deducted. Absence without appropriate reasons for more than 3 times will be issue an "F" grade.

Other Course Policies:

- **Use of AI:** The use of AI is allowed and encouraged in this class. However, one MUST utilize AI to assist with only draft information or language check. Submission of work by AI without individual analysis and understanding of the subjects will result in "0" score.
- **Cheating and Plagiarism:** We have "0" tolerance for any forms of cheating and plagiarism. If you are not sure whether you are plagiarizing others. Please refer to the university bulletin or contact me prior to the submission of assignments.
